In my letter No.C.2123-3 dated 16-5-24, the President, District Board and the Deputy Commissioner of Hassan were informed that in view of the fact that the Maternity building at Saklaspur was nearing completion, the District and Municipal Boards concerned might take early steps to find funds from their respective budgets towards the cost of initial equipment and recurring charges.

// The Deputy Commissioner intimates that the Saklaspur Municipality is not prepared to meet more than Rs.300/- towards initial equipment and Rs.300/- per annum towards recurring charges. The President, District Board says that no provision could be made in the Taluk Board Budget on this account as the Board is working with a minus balance and the result is that the Government is required to waive all contributions. This attitude of the Board is inconsistent with what they resolved in 1920 and 1921, vide para 2 of letter No.107-20-L.F. dated 23-9-21 from the President, District Board, wherein besides contributions towards cost of building, the Hassan District Board agreed to bear its share of the initial equipment and recurring maintenance charges and the Saklaspur Municipal Board to bear its share of the recurring charges. But for this assurance, it is doubtful whether Government would have sanctioned the proposal to establish a Maternity at Saklaspur.

The initial cost of equipping the Institution is :-

Europe Medicines and Surgical

Surgical Instruments. Rs.1000
Furnithre,Bedding and Clothing " 1800

The recurring monthly charges are

Pay of Lady Apothecary 75-5-200	Rs.137½
Charge allowance.	20
Compounder (Female)(20-30) plus 5 average	30
Ward attendants 2 @ 10 each.	20
Cook	10
Toti	8
Waterwoman.	7
Dhobi	10
Diet	20
Bedding and clothing	5
Country Medicines	8
Contingencies	5

	Rs. 280½

13 In accordance with the recent G.O.No. *L. 9691-7/11-Med 129-11-14* dated *18th June 1924* the Medical department will bear the cost of both initial and recurring annual supply of Europe Medicines and Instruments and the pay of the Medical subordinate (Lady Apothecary) from the provision made for "Europe Medicines" and "Medical Establishment" in the Budget.

14 The Municipal and the Local (Taluk) Board ought to bear the cost of Furniture, Bedding and Clothing viz:- Rs.1800 and monthly recurring cost at Rs.143 in such proportions as may be fixed by Government. In case the Manjarabad Taluk Board is unable to pay, the District Board from their opening balance might well pay the Taluk Board's share.

OFFICE OF THE PRESIDENT, DISTRICT BOARD,
Hassan, Dated 26th August 25.

Dear Sir,

You will remember quite well I have long been urging upon you that you may be kind enough to sympathetically view the question of maintaining the Saklespur Maternity out of State Funds under the Malnad Improvement Grants or out of General funds. Even when I had the privilege of meeting you in June last I pressed the question and you were good enough to make a note of the same and promised to speak to the Senior Surgeon in the matter. I have made an official reference now from the Board requesting that the institution may be opened. Quarters for Lady Doctor are available and no expenditure need be incurred on that account. The initial equipment charges come to about Rs 3,000 and this the Board and the Municipal Council of Saklespur will distribute between themselves. Seeing that the institution is one that owes its origin to His Highness's bounty and grace, and your own good self's name is directly associated with it as having laid the foundation stone of this building, it will add a feather if you will please sanction the opening and maintenance of it as a purely Government institution as an act of your active sympathy with the Malnad people. If you have any doubts, you may make a reference to Mushir-ul-Mulk Mr. Mir Humza Husein, and ascertain what his views were and let it not be said that you return to duty on 4th April

last instead of 6th April or so, ~~hit~~ the malnad people and
 this institution rather hard. I hope I will not be appealing
 in vain to you and that for the last time in this matter, and
 I shall eagerly be looking forward for your favourable reply
 and the opening of the institution before the next Dasara
 at least.

Yours sincerely,

With reference to your reminder No. L.2906/Med. dated 20th June 1924 addressed to the President, District Board, Hassan, through this office, re: the building for the Maternity at Saklespur, I have the honor to state that the construction of the Maternity building is completed and is likely to be handed over to the charge of the Medical Department shortly.

2. The Senior Surgeon with Government, has, in his No.C.2127 dated 13th May 1924 intimated that the maintenance charges etc., of the Maternity would amount to Rs.3960/- per annum and enquired whether the Municipal Council of Saklespur, are agreeable to pay 1/3rd of the cost. The Municipal Council, who were moved in the matter, plead their inability to pay a heavy contribution and say that they would contribute Rs.500/- per annum towards the recurring expenditure and Rs.100/- towards the initial expenditure and this has been communicated to the Senior Surgeon this day and his reply is awaited. The District Board resolved at their meeting held on 22nd June 1924 to pay the usual contribution of 2/3rd of the recurring charges of the Maternity (vide letter No.207 dated 14-7-20 from the President District Board to the Senior Surgeon) but at their last meeting held on 23rd June 1924 have recorded the following resolution:-

" Resolution of the Finance Committee:- " As the Maternity can only be debited to the Taluk Board, Manjarabad, which is with a minus balance, the Government may be requested to waive all contribution..

B.T.O.

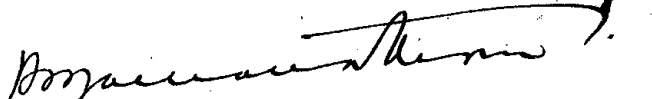

The proposal of the ~~Finance~~ Finance Committee is approved"

3. Your reminder under reference has been forwarded to the President District Board, Hassan.

I am enclosing for the information of the Dewan Sahib a copy of the official reference made by me to-day to the Secretary to Government, Local & Legislative Departments in the matter of the Maternity at Saklespur being opened at Government cost waiving the contribution payable by the District Board and the Municipal Council. The Offg. Dewan Sahib was pleased to see the Maternity building in person during his visit to Saklespur in 1924. I have also explained to him in person both in Bangalore as well as at Saklespur the desirability of the entire cost of the Maternity being borne by Government out of Malnad Improvement Funds. I strongly recollect that he was pleased to express at Saklespur that the Board and the Municipal ^{*Council*} were unable to bear the burden of the expenditure of this Maternity and that Government should itself bear the entire cost. I, therefore, request that you will kindly place the papers before him for favour of sympathetic consideration and early orders having regard to the fact that the Maternity building came into existence on the initiative of His Highness the Maharaja and the foundation stone was laid by the Dewan Rajamantra Dhurina A.R. Banerji himself and I need hardly say that the

Malnad residents of this District will remain highly grateful to the Offg. Dewan Sahib for this benevolent act of saving the lives of helpless mothers and children who resort to this institution.

Yours sincerely,

Sir,

With reference to your letter Ho.L.1512/Hedl. 23-24-S, dated the 21st August 1924, re: the initial equipment and the maintenance of the Maternity at Saklespur, I have the honor to state that the District Board at its meeting held on 23rd June 1924, recorded the following proposition:-

"Resolution of the Finance Committee:- As the Maternity charges can only be debited to the Taluk Board, Manjara-bad, which is working with minus balance, the Government may be requested to waive all contributions".

Resolution of the District Board:- "The proposal of the Finance Committee is approved."

The Board further resolved at its meeting held on 6th & 7th September 1924, that in view of the prevailing Malnad conditions, the Maternity at Saklespur may be maintained as a Government Institution and that the opening of this important institution must be expedited without further loss of time as the construction of the building is already completed.

Finally the Board resolved at its meeting held on 10th November 1924, to request Government to start the Maternity at Saklespur under the Malnad Improvement Scheme without further loss of time, having regard to the imperative need and its distinguished associations.

Copies of the above resolutions on the subject are herein enclosed for favour of perusal.

As it is, the Manjarabad Taluk is working always with a minus balance and the District Board having regard to the claims of the Malnad areas for sympathetic consideration, has been giving liberal grants to save the Taluk Board from being wound up. Even this year Rs 5,000 had to be voted ~~for~~^{to} to keep the Taluk Board going. Under such circumstances and bearing in mind the claims of the other Taluks, the District Board has passed the above-mentioned resolutions.

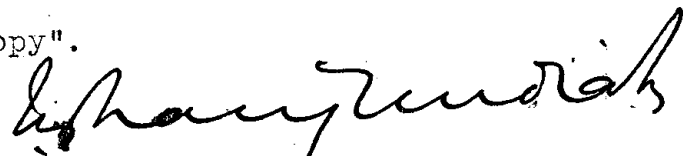

I, therefore, request that you will be so good as to move the Government to waive all the contributions payable towards the maintenance of the above said institution and to sanction the opening of the same at Government cost under the Malnad Improvement Scheme in view of the fact that no additional medical aid has been given to this Malnad District, in spite of the revision of the Malnad Improvement Scheme, as per G.O.No.L.2891/904/Gen.28-24-1 dated 1st October 1924, and the finances of the District Board and the Saklespur Municipal Council are too poor to make adequate contribution for the maintenance of the Maternity as the demands even on such poor finances are increasing day after day.

I have the honour to forward herewith Saklespur Municipal President's No. 339-24 dated 11th June 1925 in the matter of opening the maternity ward at Saklespur for information and favours of early orders of Government.

2. From the enclosed communication of the President, it seems that the Municipal Council are keen about the early opening of the maternity ward. He states that in case it is found necessary to provide residential quarters to the Medical Officers of the maternity and there is no possibility of their being constructed just now, private buildings may be rented out for the present and the Municipal Council may grant the rent therefor. I am addressing the Senior Surgeon also in the matter and I request you to be so good as to move the Government and obtain their orders for the opening of the maternity at an early date.

OFFICE OF THE PRESIDENT, DISTRICT BOARD,

President District Board,
H a s s a n.

B. Nagappa, Esq., Bar-at-Law.,

Secretary to the Government of His Highness Maharaja,
of Mysore, Local & Legislative Departments,
B a n g a l o r e.

Through the Deputy Commissioner, Hassan District.

Sir,

Mad 23-u-8

With reference to Senior Surgeon's letter No.C.2133-8, dated 25th May 1925, in the matter of initial equipment and the maintenance of the Maternity at Saklespur, I have the honor to state that the matter was discussed by the Board at their meeting held on 8th August 1925 and the following resolutions were passed:-

"Mr. Surappa, District Board Member, proposes that in conformity with the previous resolution of the Board Government may be requested to relieve the local bodies from the payment of any contribution, and open the Maternity forthwith out of State Funds or Malnad Improvement Funds, having regard to the heavy expenditure needed for the Maternity and the low financial condition of the Board and its other commitments. This proposal was seconded by Mr. B.C. Anantaramaiah and 20 voted for and none against it and this proposal was carried"

2. The Board has got various commitments, and it has become difficult for them to meet the large demands in several directions, that are being made by the people in the matter of roads, wells, buildings, Ayurvedic & Unani institutions, Epidemics Relief, etc., and the then Offg. Dewan Mushir-ul-Mulk Mir Humza Husein, who visited the Saklespur himself expressed openly that it would be unfair to ask the District Board and Saklespur Municipal Council to bear the recurring expenditure for the maintenance of this institution, and that it should be

made a legitimate charge on State Funds. A D.O. Communication was also sent to him by the undersigned on the 3rd of April and I believe that if he had continued in charge for a few days more, he would have been kind enough to order the opening of this institution out of State funds either out of allotments for the Medical Department or Malnad Improvement Funds, having regard to the facts that it was by gracious kindness of His Highness the Maharaja that a push was given for the sanctioning of this Maternity in a malnad centre, and it was no other than our present Dewan Sahib that was kind enough to lay the Foundation Stone of the building, the plans etc., for which were caused to be prepared to keep the cost as low as possible, by a Committee consisting of Lt. Col. Crawford, D.S.O. and others. Having regard to all the distinguished associations connected with this institutions, the imperative need therefor in a malnad tract, as well as the low finances of the Local bodies and their large commitments in the past as well as in the future, where the office holders have been working on the Board without even receiving any allowances or honorariums^{to} make even this, available for the benefit of the District, who have whenever called upon, come forward with donations, subscriptions and gifts of buildings for public purposes, and have been coming forward too, I cannot too strongly recommend to the kind and generous consideration of the Government the desirability of having this institution opened immediately and maintained out of State funds only, as suggested above. The disappointment of the public will otherwise be not a little and, though some reduction in some other item may even be put up with to give some relief to Government in the matter of finances, Government may be kind enough to treat this as a special case from every point of view, and be pleased to sanction the institution as a Government one, for which the people of the malnad

and the local bodies here will be very grateful. The initial expenditure may, however, be debited to the Local Bodies in due proportions.

I therefore submit this case for special treatment and favour of early sanction of Government, as a Malnad Institution, about the improvements of which Government have been ever solicitous.

A copy of the resolution of the District Board is enclosed.

I have the honor to be,

Sir,

Your most obedient servant,

M. N. S. Rao

President,
District Board, Hassan.

18. Senior Surgeon's letter No.C.2123-8, dated 25th May 1925, anent the initial equipment and the maintenance of the Maternity at Saklespur.

- (a) Proposed by Mr. Malali Venkataramaiah, that as the Maternity building in Saklespur ~~was~~ completed nearly 2 years ago, the District Board may agree to bear its quota of expenditure and Government may be requested to kindly arrange for the institution being opened without loss of time, it being borne in mind that the District Board has already contributed its quota of cost towards the construction of the building.

Seconded by Mr. H. Basavegowda. The proposition being put to vote, Mr. E.W.Rutherford, alone voted in favour of the proposition. 13 members voted against the proposition. The others remained neutral. Mr. B. Nanjgowda states now that he did not understand the point when votes were taken at first, and now says he votes for the proposition.

- (b) Mr. Surappa, proposes that in conformity with the previous resolution of the Board, Government may be requested to relieve the local bodies from the payment of any contribution, and open the Maternity forthwith out of State Funds or Malnad Improvement funds, having regard to the heavy expenditure needed for the maternity and the low financial condition of the Board and its other commitments.

Seconded by Mr. B.C.Anantaramiengar. Twenty voted for and none against it.

Resolution. (a) The proposition is lost, the majority having voted against it. (b) This proposition is carried.

Bangalore, Dated *15/9/1925*

DEAR SIR,

With reference to the correspondence ending with your D.O. letter No.30 dated the 26th August 1925, to the Dewan of Mysore, I am desirous to invite reference to Government Order No.L.1119-21/Medl.23-24-7 dated -- the 18th August 1925, passing orders in the matter of the allocation of the cost, initial and ~~recovery~~ ^{recurring} of the maternity at Saklespur, and to state that the -- order was passed after a very careful consideration of the financial condition of the Board and of the -- Municipal Council and that the allocation of cost made therein, between the local bodies and the Government, is in favour of the Municipality. It is ~~request~~ ^{reply} ed that complete exemption from payment of contribution cannot be sanctioned as desired, as such a course is opposed to all ~~such~~ precedents, and is not possible in the present financial condition of the State.

I am accordingly desired to request you to consider the order ~~of~~ the 18th August 1925, referred to above, as final and to take needful further steps in the matter to enable ^{the} ~~institutions~~ being opened for work

Yours Sinc'erey,

N. S. NANJUNDIAH, ESQ.,

President, District Board,
